1u 48-port network patch panel

Overview

QUICKPORT™ High-Density 1RU Patch Panels support 48 ports while filling only one unit of rack space. The panel fits all industry-standard 19" racks and cabinets, and is compatible with all category-rated jacks, including Cat 5e, Cat 6, Cat 6A, and QUICKPORT fiber adapters. The 48-port Cat6 patch panel with 110 punch down termination is color coded for both T568A and T568B wiring, providing the perfect solution for any voice or LAN application. Recessed angled design: Directs cords more easily to vertical management. Each port is clearly numbered to help you identify connections. Made from long-lasting cold-rolled steel, the N062-048-KJ patch panel mounts. Build a High-Density Network Foundation with the Kendall Howard 1U 48 Port Patch Panel. Whether you're expanding an existing system or starting from scratch, this panel provides the flexibility to. Search Newegg. com for 48 port patch panel 1u. Get fast shipping and top-rated customer service.
