# Allocation to Malawi

## Overview

Parliament has passed the 2026/2027 National Budget, approving a total allocation of K10. The approval comes after the completion of the Committee of Supply. prioritised activities. This funding update includes an indicative allocation of funds so as to accurately represent the resources a ailable for the country. The contributions earmarked for Malawi shown above are combined with an indicative allocation of the softly earmarked and unearmarked co. Malawi faces a critical public health challenge, with a significant burden of disease exacerbated by high rates of HIV/AIDS and other health issues. As the country strives to improve health outcomes and achieve Universal Health Coverage (UHC) by 2030, the need for effective health financing has. The 2025/26 national budget marks the fourth iteration aimed at effectively executing the Malawi 2063 (MW2063) first 10 years implementation plan (MIP-1), initiated to spur Malawi into a lower middle-income country by 2030.
