Cable tray model prices

Overview

Cable trays Cable trays Discover a comprehensive range of high-quality cable trays and cable ladders at ekabel24.com – the reliable choice for safe, organi.

Key Takeaways

Cable tray prices vary widely depending on type, material, and purchase volume, ranging from under $1 for bulk B2B units to $34 for consumer-grade trays. Price OverviewB2C Market (Consumer/Small-Scale Use): Cable trays for home offices or personal use are typically priced between $15 and $34 per unit, with some wholesale options as low as $0.92. These products are designed for under-desk wire management and often feature easy installation methods like no-drill clamps.

B2

B Market (Industrial/Commercial Use): Bulk purchases for construction, data centers, or manufacturing projects range from $0.80 to over $76 per unit, depending on material, size, and load capacity. Suppliers include Schneider Electric, Eaton, Legrand, and Atkore, offering durable and modular solutions for large-scale installations.

Cable Tray Types and Materials

Perforated Cable Trays: Lightweight, allow ventilation, suitable for medium loads. Solid Bottom Trays: Provide full protection for cables, ideal for sensitive or high-voltage wiring. Cable Ladders: Feature cross-members, designed for heavy power cables and long spans.

Cable Trunking: Closed or semi-closed systems for aesthetic or protective purposes. Materials: Steel (Pre-Galvanized or Hot-Dipped Galvanized): High durability, corrosion-resistant, suitable for indoor and outdoor use. Stainless Steel (SS 304): Fireproof, highly resistant to corrosion, ideal for industrial environments.

Aluminum or Zinc Alloys: Lightweight, moderate strength, often used in commercial installations.

Halogen-

Free Plastic: Non-conductive, lightweight, suitable for sensitive electronics or low-load applications.

Accessories and Installation Components

Couplers: Straight, 90-degree, 45-degree, and tee bends for connecting tray sections. Lids and Covers: Protect cables from dust or mechanical damage. Risers and Supports: Adjustable for routing flexibility and height variations.

Fasteners: Bolts, nuts, and clamps compatible with specific tray profiles.

Sizing and Load Considerations

Widths: Typically range from 50mm to 600mm. Lengths: Commonly 1-meter or 3-meter sections. Duty Ratings: Light, medium, and heavy-duty options are available depending on cable weight and environmental conditions.

Summary

Cable tray pricing depends on material, type, size, and purchase volume. For home or office use, expect $15–$34 per unit, while industrial bulk orders can range from $0.80 to $76 or more. Selecting the right tray involves considering load capacity, environment, and installation requirements, along with necessary accessories for a complete cable management system.

For detailed product browsing and current prices, suppliers like RS Online, CMW Ltd, Ekabel24, and Direct Channel provide extensive catalogs with delivery options.
