Contact information for purchasing optical cables

Overview

This buyer''s guide for fiber cables provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Key Takeaways

You can purchase optical cables directly from manufacturers like Corning and OCC, or through specialized suppliers and distributors listed by RP Photonics.

Manufacturer Contacts

Corning Optical Communications: For bare glass optical fiber or related inquiries, you can email cofic@corning.com or call +1-607-248-2000. Corning provides customer service, authorized distributor information, and application-specific support. More details are available on their support page: Corning Optical Communications Support.

Optical Cable Corporation (OCC): OCC offers a wide range of fiber optic and copper cables for industrial, enterprise, and data center applications. You can contact them through their website: OCC Fiber for inquiries, quotes, and technical support. Supplier and Distributor OptionsRP Photonics Fiber Optics Buying Guide: This guide lists over 200 suppliers of fiber optic cables, connectors, and related components.

Each supplier's contact information and product offerings can be accessed by clicking their logos on the guide page: RP Photonics Fiber Optics Suppliers,.

CE

F (Optral): A manufacturer and distributor offering a wide range of indoor and outdoor fiber optic cables. Contact details and product catalogs are available on their website: CEF Fiber Optic Cables,.

Additional Considerations

When purchasing optical cables, consider the following: Cable Type: Single-mode or multi-mode, indoor or outdoor, armored or non-armored. Fiber Count and Core Size: Depending on your data transmission requirements. Application: Telecommunications, data centers, industrial laser delivery, or medical devices.

Authorized Distributors: Some manufacturers require purchases through certified distributors for warranty and support. By contacting these manufacturers or exploring the supplier lists, you can obtain quotes, technical specifications, and guidance to select the appropriate optical cables for your needs.
