Optical Cable Cutting Machine

Overview

● The fully automatic fiber optic cable cutting machine is a special equipment used for measuring, cutting and winding optical cables in the production of optical fiber jumpers. Required fields are markedOur semi-automated cut and strip machines are built for precise, efficient processing of a wide range of cable types, from single and multiconductor to coax, ribbon, and fiber optic cables. With intuitive controls and quick setup, they're ideal for low- to mid-volume production, prototyping, and. Automatic Fiber Optic Patch Cord and Pigtail Cable Cutting Machine Fiber Cable Making Machine. It cuts off the cables on required length and rolls cables neatly. Where Kevlar is difficult to process with conventional tools, the FiberOptic 7010's patented system ensures fast, clean.

Article Content

Fully Automatic Fiber optic cable cutter 450X Price & Datasheet

Fully Automatic Fiber optic cable cutter 450X Automatic cable cutting machine is for cable cutting winding,measuring.The advantage of this machine is : middle suspended, Length and speed setting

Automatic fiber optic cable cutting machine

Find top-quality automatic fiber optic cable cutting machines for efficient and precise work. Perfect for FTTH and other optical cable applications. Shop now!

Cable Cutting Machine

© 2026 AK OPTICAL SYSTEMS - All rights reserved

OFTech touch screen automatic fiber optic cable cutting machine is special equipment used for fiber optic cable length measurement, cutting, counting and

Fiber-Optic Cable Cutters | McMaster-Carr

Choose from our selection of fiber-optic cable cutters, including sawing, cutting, and scraping, fiber-optic tool kits, and more. Same and Next Day Delivery.

Faytek automatic fiber optic cable cutting machine

Automatic fiber optic cable cutting machine Used in fiber optical cable cut, will be around the cylinder covered the cable, according to the quantity and the length of

Top Quality Fiber Optic Cable Cutting Machines for Wholesale

Find top-quality fiber optic cable cutting machines for precise and efficient fiber handling. Wholesale options available. Perfect for telecom and data center use.

Automatic fiber optic cable cutting machine

Automatic Rotary Cutting Machines Utilize precision circular (rotary) blades to slice through fiber optic cables and reinforced materials with exceptional accuracy. These machines are ideal for applications

Automatic optical fiber cable cutting machine

Discover automatic optical fiber cable cutting machines with CE certification, high precision & touch screen control for FTTH, patch cord production.

Automatic Fiber optic cable cutter 450PS Price

Fully Automatic Fiber optic cable cutter 450PS Automatic cable cutting machine is for cable cutting winding,measuring.The advantage of this machine is

Automatic Fiber Optic Cable Cutting Machine Exporter

The “touch screen” series cable automatic cutting machine is used for optical fiber jumper (or cable) long meter fiber optic production, cutting, counting, winding and

AOFC-2001 Automatic Cable Cutting Machine –

AOFC-2001 Automatic Cable Cutting Machine $ 0.00 This equipment integrates the advantages from China and oversea factory''s cutting

Fiber Optical Cable Cutting Machine Suppliers and

Buy the high quality and highly efficient fiber optical cable cutting machine with our factory. We are one of the leading manufacturers and suppliers in China,

Automatic Fibre Optic Cable Cutting & Rolling Machine

© 2026 AK OPTICAL SYSTEMS - All rights reserved

The Briticom® Automatic Cable Cutting/Rolling Machine is used for producing fibre optic patch cord. This product comes with a flexible legnth and speed setting, as

Automatic Optical Fiber Cable Cutting Machine

Sun Telecom''s SUN-CCM-X20D automatic cutting machine is professional equipment, which is used in optical fiber jumper cable (or cable) production to measure length, cut, count, wind and spray words
